

CORVUS

Urban Elegance Meets CORVUS
Bollard Family

CORVUS, an urban-focused bollard, features a sleek design with a slim body concealing the light source, ensuring total visual comfort. Its special diffused glass provides uniform light distribution, as well as minimizing stray light.

- Cost-effective and efficient LED technology
- Meets eye comfort with symmetrically optimized light distribution
- Equipped with high-efficiency and long-lasting LED light source
- Available in two body sizes of 150 and 200 diameters.
- Easy installation and maintenance
- Modern and elegant design creating a unique touch in exterior applications
