

DOMINI (-)

Durable and Reliable Bollard Family

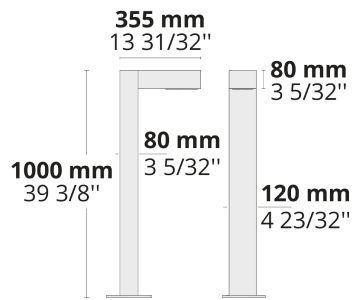

PHASED-
OUT

Advanced optics and strong characteristics make the DOMINI family stand out to illuminate pathways, landscaped areas, and other public spaces.

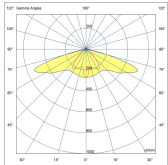

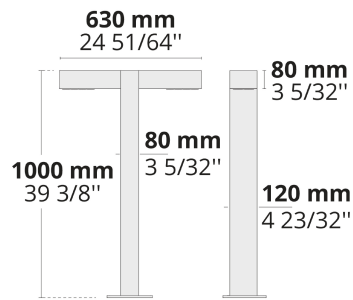

- Equipped with HEPER's AreaFlex (AFX) or efficient LED technology with high transmittance lenses
- Flexible light distribution options from Type I through Type V (AFX)
- Simple design that blends in with different types of architecture
- Single or double head layout options
