

# POLSO

An Elegant and Sturdy Bollard

CE UK CA IK05 IP65 

With its round frame, matching column options, and three-way light distribution POLSO bollard is a reliable choice for pathways, landscaped areas, and other public spaces.

- Minimized glare with recessed light source
- Three-way light distribution to illuminate areas and pathways while adding a unique effect
- Different height options and matching column to complement high-end architectural projects
- Minimalistic design to blend in with different types of architecture
